By R. Q. Lawing
The 49th anniversary of the Promise Land Baptist church came to a close last Sunday night with the sermon preached by Rev. Mason of the Va. Seminary in Lynchburg. The anniversary was a big success, both spiritually and financially. The pastor and members of the church wish to thank each one for his help during the anniversary. The Sunday School department is developing nicely at the First Baptist church. The enrollment is increasing each Sunday.

Get Rid of Poisons

Produced by Constipation

A cleansing laxative—purely vegetable Black-Draught—is the first thought of thousands of men and women who have found that by restoring the downward movement of the bowels many disagreeable symptoms of constipation promptly can be relieved. Mr. J. P. Ziahafe, of Clinton, E. C. writes: "I have found that Black-Draught is very effective in the cleansing of the system. When affected by the dull headache, the drowsiness and lassitude caused by constipation, I take Black-Draught."

When you are suffering, you want relief—not tomorrow—next week—but right away. DR. HILL'S VEGETABLE LAXATIVE relieves in just a few minutes—less than half the time required for many other pain-relieving medicines to act.

Next time you have a Headache, or Neuritis, or Migraine, Sciatic, Rheumatic, or Periodic Pains, just take an Anti-Pain Pill. Learn for yourself how prompt and effective these little pain relievers are. You will never again want to use slower, less effective, less palatable medicines, after you have used Dr. Miles' Anti-Pain Pills.

I am much pleased with your Anti-Pain Pills. They cure me of a headache, and give me relief for functional pains. I have tried every kind of pill for years, but none satisfied me as your Anti-Pain Pills have. Ann Mikulko, St. Benedict, Pa.
